[Ref. 767,794.]

AT THE GOVERNMENT HOUSE AT OTTAWA,

Tuesday, the 17th day of March, 1903.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

ON a Memorandum dated 9th March, 1903, from the Minister of the Interior, submitting that on the 20th day of August, 1902, an Order in Council was passed authorising the amendment of clause 13 of the Regulations for the survey, administration, disposal and management of Dominion Lands within the Railway Belt in British Columbia, so as to permit any person who would be entitled to a second homestead entry similar to the law affecting such entries in Manitoba and the North-West Territories to exercise that privilege within the said Railway Belt in British Columbia.

The Minister states that cases have arisen where settlers cannot comply with this amendment and are debarred from taking advantage of this privilege.

The Minister therefore recommends that in such cases he be given power to sell the land not exceeding 160 acres at the rate of \$1.00 per acre, subject to Homestead conditions, the patent not to issue until these conditions have been performed to the satisfaction of the Commissioner of Dominion Lands.

The Committee submit the same for approval.
